

Horizontal 1RU 5-Ring Cable Manager

Datasheet: GD030770v10

APPLICATION

Horizontal cable managers enable efficient and neat installations ensuring any future network changes are easy to manage. Available in black, the 5-ring product ensures patch cords are protected and held securely within the unit.

FEATURES

- Mounts to standard 19-inch racks and cabinets
- Zinc plated mild steel construction
- Removable management rings
- Adjustable end ring position
- Designed with adjustable earthing tab position and screwdriver access
- Powder coat finish with masked rear flanges for improved earthing
