1RU 24-Port Modular Angled Panels

Datasheet: GD059106v15

LEVITON

APPLICATION

The 1RU 24-Port Modular Angled Snap-in-Jack Patch Panels (includes Management Bar with each panel) provides increased rack density. The unique 'inline' angled design facilitates cord routing directly into the vertical side management, saving on rack space. The design accommodates separate rear cable management to provide strain relief, simple routing of horizontal cabling, and color-coded labeling.

FEATURES

- Mounts to standard 19-inch racks and cabinets
- Maximizes rack density and eliminates the need for horizontal cable management
- Detachable cable manager
- Suitable for both shielded and unshielded jacks (sold separately)
- Durable powder coat finish in black
- Supplied with rack mounting kit

**MMCPNLX24SIJ2MAN**

ORDER INFO

Part Number	Item Description	Color	Weight per Item (nom)	Qty per Pack
MMCPNLX24SIJ2MAN	1RU 24-Port Modular Angled Panel with Management Bar	Black	760g	1

PHYSICAL CHARACTERISTICS

MATERIALS

- Powder Coated Plain Carbon Steel

ENVIRONMENTAL CONDITIONS

- Operating temperature from -10°C to 60°C at 93% relative humidity, non-condensing

- Storage temperature from -40°C to 70°C
