

eXtreme®

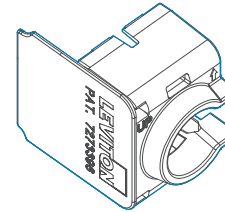

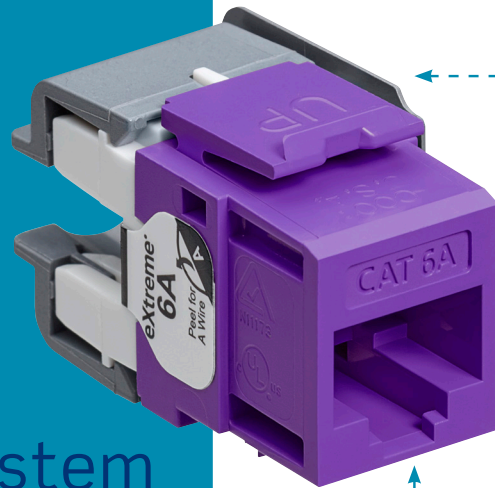

ENTERPRISE APPLICATIONS: K-12 | Office Buildings | Telecommunications Rooms

UTP: 5e, 6, and 6A

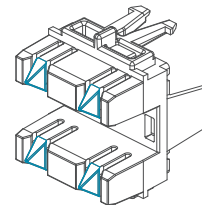

Enhanced Copper System

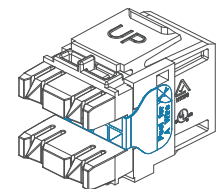

The Leviton eXtreme copper system pairs high-quality, guaranteed performance with a user-friendly design to support fast, easy installations. With enhanced performance and unmatched system longevity, the eXtreme copper system is well suited for an extensive range of enterprise and commercial networks, and exceeds PoE standards up to 100 watts.

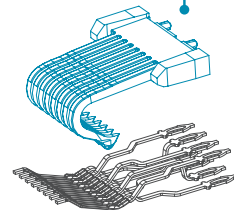

Patented Cone of Silence provides additional alien crosstalk (AXT) suppression (Cat 6A only)

Innovative cutting ledge and pair separation towers simplify punchdown, reduce rework, and support faster terminations

Patented tear-away dual-layer T568A/B label for faster and easier field terminations

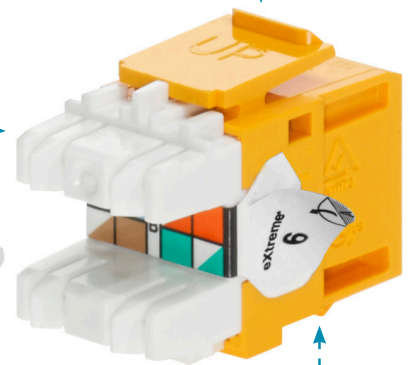

Patented Retention Force Technology (RFT) protects against time damage and increases system longevity

Compatible with Fluke JackRapid™ Punchdown Tool for quick and easy terminations

High pull-out force with snap on dust cap (Cat 6)

13 colors for simple tracking
