

## Recessed-angled Patch Panel Accessories

### Blank Panel Inserts and Transitional Covers

#### APPLICATION

Leviton's Recessed-Angled Patch Panel Accessories include an Angled Management Bar, Front 1RU and 2RU Blank Angled Panels and a 1RU Transitional Cover. Designed to maximize the versatility of the Angled Patch Panel offering.

#### SPECIFICATION

Recessed-Angled Patch Panel Accessories shall be cULus listed; meet or exceed all TIA-568-C.2 requirements and meet FCC Part 68. The accessories shall include a Recessed-Angled Management Bar, Front 1RU and 2RU Blank Recessed-Angled Panels and a 1RU Transitional Cover for standard 19" equipment racks. The accessories shall be made of 16-gauge steel, painted black.

#### FEATURES

- Cable management bar follows the contour of the angled patch panel to facilitate rear cable management
- Blank accessories enhance rack appearance while accommodating future growth
- Transitional cover protects panel termination field

#### DESIGN CONSIDERATIONS

- Mounts on industry standard 19" equipment racks
- Angled management facilitates cable organization

#### STANDARDS COMPLIANCE

Meets or exceeds all applicable standards:

cULus Listed

Complies with TIA-568-C.2 requirements

Meets FCC Part 68

NOM and ACA pending

#### PHYSICAL SPECIFICATIONS
