- **WARNING: TO AVOID DEATH OR SERIOUS PERSONAL INJUR**Y never touch uninsulated wires or terminals unless the wiring has been disconnected at the network interface.
- Read and understand all instructions. Follow all warnings and instructions marked on the product.

Description

The Leviton® 99A16 Table Top Stand is used to mount an *OmniTouch 7* Touchscreen for table top applications. It is ideal for board rooms, conference areas, as well as home theaters, and bedside tables.

Included in kit

- **1** - Table top stand
- **4** - Hook-and-Loop fasteners (for securing the *OmniTouch 7* to the stand)
- **4** - Rubber feet (for shock absorption and a skid-free application)

Installation

1. Remove the plastic cover from one of the rubber feet, exposing the adhesive.

2. Press and firmly hold the rubber foot to one of the four mounting locations on the bottom of the stand, for approximately 5 seconds to insure a secure attachment. Refer to *Figure 1* for recommended mounting locations.

3. Repeat Steps 1 and 2 for the remaining 3 rubber feet.

4. Separate the 4 "Hook-and-Loop" fasteners from each other.

5. Remove the plastic covers from one of the "Hook" fasteners, exposing the adhesive backs.

6. Press and firmly hold the "Hook" fasteners combination to one of the four mounting locations on the front of the stand, for approximately 5 seconds to insure a secure attachment. Refer to *Figure 2* for recommended mounting locations.

7. Repeat Steps 5 and 6 for the remaining 3 "Hook" fasteners.

8. Lightly press each of the "Loop" fasteners back onto the respective "Hook" fasteners.

9. Remove the plastic covers from the 4 exposed "Loop" fasteners.

10. Place the *OmniTouch 7* into the stand, allowing the back of the *OmniTouch 7* to make contact with the adhesive on the "Loop" fasteners. Press and hold firmly for approximately 5 seconds.
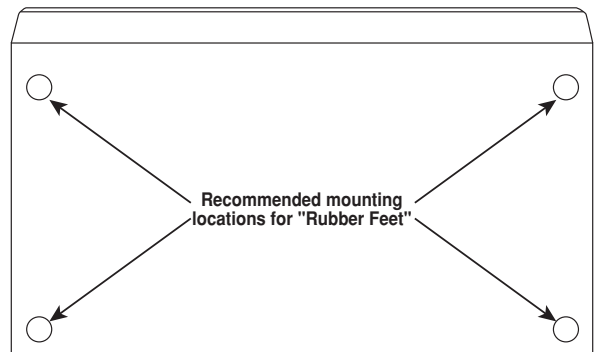

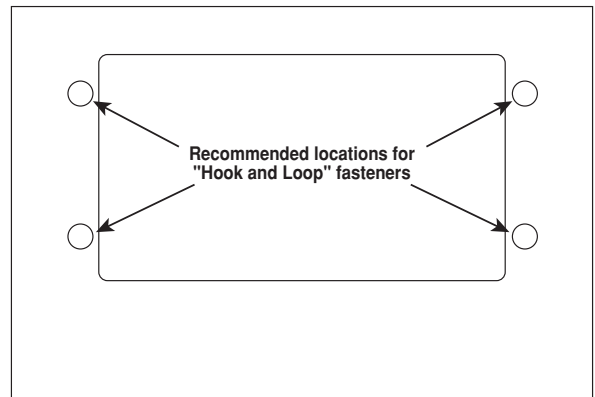

WARNINGS AND CAUTIONS

- **Do not use this product near water** – e.g., near a tub, wash basin, kitchen sink or laundry tub, in a wet basement, or near a swimming pool.
- Never install communications wiring or components during a lightning storm.
- Never install communications components in wet locations unless the components are designed specifically for use in wet locations.
- Use caution when installing or modifying communications wiring or components.
- SAVE THESE INSTRUCTIONS.

LEVITON LIMITED WARRANTY

Leviton warrants to the original consumer purchaser and not for the benefit of anyone else that products manufactured by Leviton under the Leviton brand name ("Product") will be free from defects in material and workmanship for the time periods indicated below, whichever is shorter: • **OmniPro II and Lumina Pro**: three (3) years from installation or 42 months from manufacture date. • **Omni LTe, Omni IIe, and Lumina**: two (2) years from installation or 30 months from manufacture date. • **BitWise Controllers, Accessories**: two (2) years from installation or 30 months from manufacture date. • **Lumina Gateway Controllers**: two (2) years from installation or 30 months from manufacture date. • **Thermostats, Accessories**: two (2) years from installation or 30 months from manufacture date. • **Batteries**: Rechargeable batteries in products are warranted for ninety (90) days from date of purchase. **Note**: Primary (non-rechargeable) batteries shipped in products are not warranted. **Products with Windows® Operating Systems**: During the warranty period, Leviton will restore corrupted operating systems to factory default at no charge, provided that the product has been used as originally intended. Installation of non-Leviton software or modification of the operating system voids this warranty. Leviton's obligation under this Limited Warranty is limited to the repair or replacement, at Leviton's option, of Product that fails due to defect in material or workmanship. Leviton reserves the right to replace product under this Limited Warranty with new or remanufactured product. The repaired or replaced product is then warranted under the terms of this Limited Warranty for the remainder of the Limited Warranty time period or ninety (90) days, whichever is longer. This Limited Warranty does not cover PC-based software products. **Leviton is not responsible for conditions or applications beyond Leviton's control. Leviton is not responsible for issues related to improper installation, including failure to follow written Installation and operation instructions, normal wear and tear, catastrophe, fault or negligence of the user or other problems external to the Product**.
