

Panel Extension Kit

APPLICATION

Panel Extension Kit provides a mounting method for e2XHD Rear Cable Management in situations where the equipment cabinet or 4-post rack vertical rails have a profile that interferes with the mounting of the e2XHD Cable Management Shelf. They also can be used to mount cable management bars or recess-mount flat patch panels.

SPECIFICATION

Panel Extension Kit shall be constructed of 14-gauge stainless steel. It shall have a stainless steel finish for use with both black and white panels. Panel Extension Kit shall provide both square and round holes to accommodate multiple mounting scenarios.

FEATURES

- Constructed of durable 14-gauge stainless steel
- Compatible with Leviton e2XHD patch panels
- Can be used to recess mount flat patch panels
- Stainless steel finish for use with both white and black panels

DESIGN CONSIDERATIONS

- Can be used with the following Leviton cable management solutions:
 - E2X1F-CMB
 - 49006-AMB
 - 49005-DMB
 - 49258-TWB
- Can be used with the following Leviton patch panels:
 - E2X1F-S48
 - E2X1F-E48

MECHANICAL SPECIFICATIONS

Dimensions: 1RU: 4.228 inches X 1.75 inches
2RU: 4.228 inches X 3.488 inches
Materials: 14-gauge stainless steel

COUNTRY OF ORIGIN

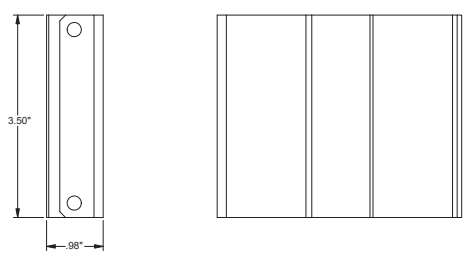

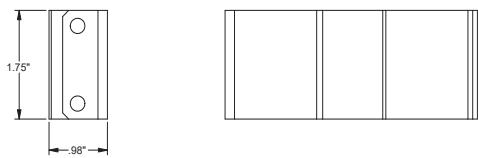

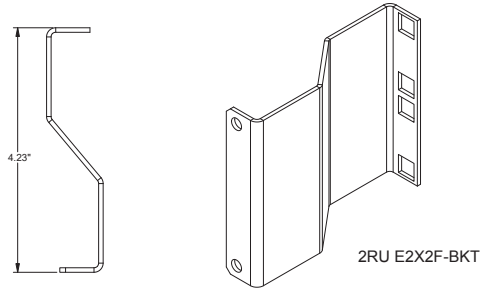

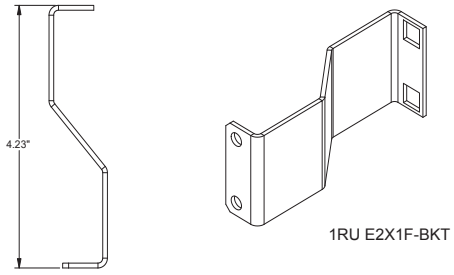

China
