

Dual Type-C Ports Charging is Easy and Convenient.

Charging with Leviton quality!

Leviton's line of USB chargers are engineered and tested for compatibility with the newest devices. Type-C ports are featured on the latest devices manufactured by Apple®, Samsung®, Google®, Microsoft® and more, making the technology the new standard.

Choosing the Charger That's Right for You

Leviton's extensive line of chargers are safe, powerful, and compatible with more of the newest devices. Leviton offers a wide variety of receptacles that fit all applications.

Installation

Leviton's USB In-Wall Chargers easily replace a standard receptacle for a convenient upgrade.

Applications

Ideal for residential and commercial applications including kitchens, bedrooms, home offices, college dormitories, airport lounges, hospitals, salons and spas, hotels, meeting rooms, cafes, restaurants and more.

30W total charging power.
Wallplate sold separately.
