AGENCY STANDARDS AND COMPLIANCE

- Z-Wave Plus Certified
- cULus Listed, Energy Mgmt Equip. 9D34
- NOM (Mexico)
- Complies with FCC Part 15, Class B
- FCC ID: QGH-ZW4SF
- IC: 2473A-ZW4SF

WARRANTY INFORMATION

Two-Year Limited Warranty

APPLICATION

The Decora Smart Z-Wave 4-Speed Fan Controller allows you to select one of 4 fan speeds or control your overhead pull-chain paddle fan when paired with a compatible Z-Wave controller. Adjust fan speed from max, high, medium, low, and off using the third-party hub's app, schedules, or voice control with a Z-Wave hub. Uses 700-Series Chipset which offers S2 security and is enabled with SmartStart. Utilize DD00R for 3-way installations.

AESTHETICS

The 4 Speed Fan Controller leverages the popular Decora brand styling, along with compatible accessories including three-way devices, color change kits, and wallplates. Features true rocker action, pressing the top to turn on and the bottom to turn off. Additionally, the vertical bar on the right side of the paddle is used to increase or decrease the fan speed manually. Vanishing LEDs on the left side of the paddle show current and target fan speed with real-time feedback.
