FEATURES
• Leviton's Decor® style design
• Gangable with any Leviton Decor® style strap-mounted devices
• Scene Capabilities
• ON/OFF LED indicates status of load

INTRODUCTION
The Monet™ Switch is the premier model in Leviton's line of Architectural Specification Multi-Location Controls. The Monet™ is ideal for any application where a subtle design plays a critical role, such as in museums, galleries, and elegant dining rooms. The low-profile architectural fit design provides Monet™ with a flush-to-wall fit. The device features smooth angles that won't create distracting shadows, with a matte finish to ensure minimum light reflection. Monet™ also features a soft green locator light that illuminates when the dimmer is OFF on the Single Pole model.

INSTALLATION INSTRUCTIONS
WARNING: TO BE INSTALLED AND/OR USED IN ACCORDANCE WITH APPROPRIATE ELECTRICAL CODES AND REGULATIONS.
CAUTION: USE THIS DEVICE ONLY WITH COPPER OR COPPER CLAD WIRE. WITH ALUMINUM WIRE USE ONLY DEVICES MARKED CO/ALR OR CU/AL.

TO INSTALL:
1. WARNING: TO AVOID FIRE, SHOCK, OR DEATH; TURN OFF POWER AT CIRCUIT BREAKER OR FUSE AND TEST THAT POWER IS OFF BEFORE WIRING!
2A. Remove existing wallplate and switch, if applicable.
2B. Remove Monet™ wallplate from Monet™ Switch by gently pulling at top or bottom edges until it snaps off (refer to Figure 1).
3A. TO SIDE WIRE: Remove insulation approx. 5/8" (1.6 cm). Connect wires per appropriate WIRING DIAGRAM as follows: Loop wires clockwise 3/4 turn around terminal screws. Firmly tighten screws over wire loops.
   NOTE: Side wire terminal screws accept up to #10 AWG copper or copper clad wire.
3B. TO BACK WIRE: Remove insulation per strip gauge on device approx. 1/2" (1.3 cm). Connect wires per appropriate WIRING DIAGRAM as follows: Insert straight wires into holes next to appropriate terminal screws. Tighten screws firmly.
   NOTE: Back wire terminal screws accept up to #10 AWG copper or copper clad wire.
4. Mount device using long mounting screws.
   NOTE: Refer to Figures 2A and 2B for multi-gang example configuration. Make sure that when breaking off the inside fins of the strap, that the device is mounted at either end of the configuration (refer to Figure 2B).
5. Snap Monet™ Decora® wallplate (refer to Figure 1).
6. Restore power at circuit breaker or fuse. INSTALLATION IS COMPLETE.

TO OPERATE:
ON: Depress top half of rocker to ON position; Lights will turn ON (GREEN LED will turn OFF, Lighted Device ONLY).
OFF: Depress bottom half of rocker to OFF position; Lights will turn OFF (GREEN LED will turn ON, Lighted Device ONLY).

LIMITED 2 YEAR WARRANTY AND EXCLUSIONS
Leviton warrants to the original consumer purchaser and not for the benefit of anyone else that this product at the time of its sale by Leviton is free of defects in materials and workmanship under normal and proper use for two years from the purchase date. Leviton’s only obligation is to correct such defects by repair or replacement, at its option, if within such two year period the product is returned prepaid, with proof of purchase date, and a description of the problem to Leviton Manufacturing Co., Inc., R&D Quality Assurance Department, 59-25 Little Neck Parkway, Little Neck, New York 11362-2591 (In Canada send to Leviton Mfg. of Canada Ltd., 165 Hymus Blvd., Pointe Claire, Quebec, Canada H9R 1E9). The warranty excludes and there is disclaimed liability for labor for removal of this product or reinstallation. This warranty is void if this product is installed improperly or in an improper environment, overloaded, misused, opened, abused, or altered in any manner, or is not used under normal operating conditions or not in accordance with any labels or instructions. There are no other or implied warranties of any kind, including merchantability and fitness for a particular purpose, but if any implied warranty is required by the applicable jurisdiction, the duration of any such implied warranty, including merchantability and fitness for a particular purpose, is limited to two years. Leviton is not liable for incidental, indirect, special, or consequential damages, including without limitation, damage to, or loss of use of, any equipment, but make no profit or delay in repair or replacement as a result of such operation. The warranty is void if the product is damaged by accident, abuse, alteration, or misapplication, or if failure is due to normal wear and tear, or if it is repaired or altered by anyone other than Leviton or its authorized repair facility, including damage caused by failure of equipment over which Leviton has no control or by any failure of equipment not supplied by Leviton.
