APPLICATION
The Leviton Multi-Dwelling Unit (MDU) Compact Structured Media Enclosure is designed to deliver a compact distribution point for basic telephone and video of multi-unit buildings. The enclosure’s unique modular design is made exclusively from ABS molded plastic. This gives customers cost savings in installation time, while providing the flexibility to accommodate a variety of telephone/video distribution configurations. The enclosure can accommodate up to three telephone expansion boards and one passive video splitter. The Leviton MDU enclosure is ideal for apartments and affordable, military, senior, and campus housing as well as urban mixed-use applications.

FEATURES
• Compact distribution point for basic telephone and video
• Snap-on cover requires no tools or fasteners
• Features molded-in brackets that provide quick snap-in convenience for telephone expansion boards
• Angled splitter shelf for easy installation
• Multiple knock-outs on top, bottom, and sides support 1-inch conduit and facilitate cable routing and entry
• Enclosure may be locked for added security

DESIGN CONSIDERATIONS
• Capacity for up to three telephone expansion boards and one passive video splitter
• Enclosure can be surface or flush mounted
• ABS molded plastic construction provides structural integrity and it comes with a UL94 VO flame-retardant fire rating
• MDU Expansion Boards and Splitters
  • 1x10 6-Line Bridged Telephone Security Expansion Board provides six lines to up to 10 locations, and comes with IDC connectors for Cat 5e wire and with a RJ-45 connector and a punch down security interface to accommodate alarm systems
  • 1x6 Bridged Telephone Expansion Board provides four lines to up to six locations and comes with IDC connectors for Cat 5e wire and a RJ-45 expansion port
  • 1x4 4-Line Bridged Telephone Expansion Board provides four lines to up to four locations and comes with IDC connectors for Cat 5e wire
  • 6- or 8-Way 2 GHz Passive Video Splitters deliver a CATV or antenna signal to six or eight television outlets
