DZR15-1RZ

Z-Wave Enabled 15 Amp Scene Capable Receptacle with LED Locator - White/Light Almond

The wireless Leviton DZR15 is a Z-Wave enabled 15A tamper resistant receptacle designed for use for most residential lighting and motor applications. A large range of load types are supported including incandescent, halogen and magnetic low voltage, electronic low voltage, fluorescent, and motor loads up to ½ horse power. The DZR15 is fully compatible with the Wink Hub, Samsung SmartThings, as well as all other certified Z-Wave controllers. As an extension to these hubs, Amazon Echo, Fire TV, Echo Dot, and Amazon Tap may be utilized for voice control over your DZC lighting products.
